

What's the Bzzzzzzzzzz?

June 2010

Brrrrrrrrrrrrrrrrrrrr, winter is upon us. As I sit in my lounge with heater on my legs, I can see the ice on my car and the frost on the grass. I'm not a big fan of winter, but going for walks on the beach in the mornings, with hat 'n scarf is, I have to say, very invigorating and pleasurable – so don't be afraid to get out there! The sun has been hanging around for a few days and it's been gorgeous at Tahunanui – if you've never been to Nelson, try to get here one day ☺

Right, I absolutely promise this will definitely be, without a doubt, a short newsletter!

FIRSTLY voting is open until the 4th July for the [APRA/What Now Kids' Choice Music Video Awards](#) So click on that, if you haven't voted already, and **vote for "Individuality"**! Well, you can watch all 3 and vote for whoever you like best really.....but I'd appreciate it if you *did* vote for mine! And if you have **voted already then THANKS HEAPS**, you're awesome. Oh and if you don't mind **flicking the link to people** in your address book who might be interested, then I'd be rapt ☺

The gigs at the **Theatre Royal were amazing**. 300 odd kids and adults at each one, all singing and dancing and doing actions.....I loved it! Just want to thank **Rich Kendrick** on double bass. He's an extremely clever yet very modest guy, and to **Rhys Clark** whose drumming just topped the whole thing off, and to **Samantha and Janelle** who rapped their little hearts out. To my nieces **Maria and Laura** who sang like Angels. To [Flossie the balloon lady](#) who keeps surprising me with **NEW balloon creations (get her to your event NOW!)** and to [Crackerjack Toys](#) and [Nelson Historic Places Trust](#) who sponsored the gigs. And everyone else who helped out on the day AND to all of you who came and had a fun time! A lovely review in the Nelson Mail really warmed my heart. **Thanks Matt Bowler** ☺

Thanks [Katrina](#) at **More FM** for a great interview recently and I also had a hilarious (I thought it would be "an hilarious" but my computer tells me no....) interview on [Fresh FM](#) last Thursday with **Dave and Shaun**. Was such fun – if you feel like a change, turn on Fresh FM or **your local community radio station** – it's nice and relaxed and they play cool, different music instead of your run-of-the-mill stuff and of course everything is local!

That's it! Told ya. **Question for today.....to win a Bee Tee.....**and for this you have to have watched my "Individuality" music vid right through.....what's

the name of the school that features on the video? It comes up in the credits at the end. First one to email back with right answer **WINS!**

See ya round!
